## Description

A rushnyk or rushnik is a decorative and ritual cloth. It is made of linen fabric, embroidered with red linen and colored woolen threads. There are two strips of the flowers and leaves, framed by a continuous zigzag along the perimeter. The ornamentation of both edges is not symmetrical, but the same elements and techniques were used. The central part of the rushnyk remained free.

## Basic data

Material/Technique: Linen, wool, weaving, embroidery  
Measurements: l 240, w 36 cm

## Events

Collected      When      1910-1927  
                         Who      Данило Щербаківський (1877-1927)  
                         Where
